SHOULD YOU INVEST?

This Fund is suitable for you if:

- You have an investment time horizon of over two years
- You are looking for a high level of income
- You are a risk-averse investor
- You are looking for moderate capital appreciation over time
- You are a living annuity investor that needs low growth but a high and stable level of income
- You understand the benefits of investing with more than one manager

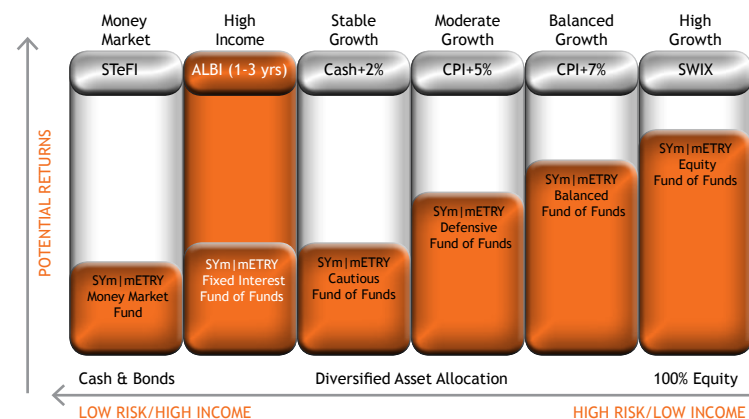

MANAGERS IN THE FUND

We have a dedicated team of investment professionals who are continuously monitoring and evaluating South Africa's fund managers using proprietary technology to blend managers with complementary investment styles to enhance their individual strengths and achieve a well-diversified investment portfolio - to help you gain cost-effective access to the best managers in the industry. For the Fixed Interest Fund of Funds we have specially selected:

MANAGER	MANAGER STYLE	MANAGED BY	ALLOCATION
	This manager focuses specifically on investing in high-yielding assets that provide a stable stream of income. They focus on seeking high yield and will only take interest rate positions when they feel very certain about the outcome. This portfolio can have significant allocations to listed property at times.	Brian Vambe is the listed portfolio manager, but all portfolios at Marriott are managed by the very experienced senior investment team. The very successful Marriott Core Income Fund is managed by the same team in a similar fashion.	50.3%
	The manager employs a very broad strategy to fixed interest investing, utilising a variety of strategies and tools to generate maximum return in the portfolio. Income generation and capital preservation are key considerations in all investment decisions.	Mark Le Roux, who also manages the successful Coronation Strategic Income Fund on a similar basis. Mark is the Head of Fixed Interest at Coronation.	49.7%
