

# Old Mutual Investment Credit Card Account

Travel insurance

Effective 1 August 2011

 **OLD MUTUAL**

Licensed Financial Services Provider

# As an Old Mutual Investment Credit Cardholder under the age of 75, you are entitled to automatic travel insurance for both local and international travel when you purchase your travel ticket(s) on your Old Mutual Investment Credit Card.

This insurance has been specifically designed for you, as an Old Mutual Investment Credit Cardholder, to protect you wherever you travel.

You also have a choice of buying the optional topup insurance in addition to the automatic travel insurance.

## Automatic cover

The automatic cover is provided at no cost to you. You will receive cover for emergency medical and related expenses, as well as personal-accident cover. The cover also includes various assistance service benefits, such as legal assistance abroad and a 24-hour medical emergency assistance helpline. **To qualify for the automatic cover\* simply charge the cost of your public-conveyance ticket to your Old Mutual Investment Credit Card.** The cover is valid for 30 days.

## Optional topup cover

Most of us underestimate the risk of travelling abroad without adequate insurance. The automatic insurance may

not cover every aspect of your insurance needs. That's why Old Mutual has arranged a choice of three optional topup insurance options\* to complement your automatic cover.

Our optional topup insurance provides cover for additional emergency medical expenses and personal-accident cover. It also provides cover for trip cancellation or curtailment, baggage loss and baggage delay, as well as travel delay and personal-liability cover.

You can also select cover under the optional topup for a three-month trip or extended cover for a six-month trip.

## Preexisting medical conditions cover

Our standard travel policy excludes any claim arising directly or indirectly from any preexisting medical condition that manifested itself or existed in the 12-month period prior to the date of coverage. That's why we've provided optional preexisting medical conditions cover, which waives this exclusion and includes both the automatic and optional topup cover for up to 180 days.

View our schedule of benefits for more information. If you would like more information on the terms and conditions that apply, please visit our website at [www.oldmutual.co.za/card](http://www.oldmutual.co.za/card) or call us on **0860 103 524**.

## Seniors cover

As our standard insurance topup cover provides cover for our clients only up to the age of 74 years, we've also developed unique travel insurance cover for our clients aged 75 to 84 years. Provided your travel ticket(s) is/are purchased using an Old Mutual Investment Credit Card, you will qualify for the discounted seniors cover.

\* Clients under the age of 75 years qualify for automatic cover and our optional topup insurance.

### Discounts for regular travellers – mandate insurance

We recognise that many of our clients travel regularly. That's why we have also introduced a new and exciting regular-travellers optional mandate insurance cover. **With this option we will, with your permission, automatically debit you for travel insurance every time you purchase a public-conveyance ticket on your Old Mutual Investment Credit Card.** Plus, the premium has been discounted further for you. It's a hassle-free way of ensuring comprehensive travel protection every time you travel.

For more information on the cover available please refer to the schedule of benefits in this brochure or call us on **0860 103 524** to discuss the terms and conditions that apply. You can also visit our website at [www.oldmutual.co.za/card](http://www.oldmutual.co.za/card).
