

Contributing to our country's success through transformation.

Old Mutual Property achieved a level 2 rating in 2009. We are proud to be one of a few large companies to achieve this in a record period of three years and have successfully maintained this for three consecutive years.

Transformation is the Old Mutual Property way to creating real change, using broad based workplace initiatives in Employment Equity, Skills Development, Procurement, Enterprise Development and Socio Economic Development. Some of these initiatives involved active engagement with suppliers regarding their transformation and various social projects.
