PROFILE: EMALAHLENI CHORAL SOUNDS

The choir is a formation of choristers from Witbank, Bethal, Ogies and Middelburg. The majority of these choristers are still at high schools and others at tertiary institutions.

Brief choir background

The choir is a non-profit making organisation which its main mission is to entertain and develop new untapped raw talent (191-030 NPO). In its first participation, in July 2013, barely a month after its launch during the Standard Bank Arts and Culture Choral Competition, the choir surprised many by clinching position 1 in vernacular and 2nd place overall position beating more experienced choirs who have been around for more than a decade.

The choir went on to enter the renowned Old Mutual National Choir Festival in September 2013, and also did exceptionally well in the Standard Category.

The following year the choir was upgraded to Large Section 2016 and 2017 the choir was crowned Mpumalanga Regional NCF Champions.

The choir will be representing the Mpumalanga Province in the Gauteng NCF regional event on the 28 October 2018.
