

CHOIR PROFILE: TUT SOSHANGUVE CHOIR

About TUT

The Tshwane University of Technology (TUT) is a proud product of South Africa's first decade of democracy. While the size and scope of this dynamic new institution impress, the quality of its teaching, research and community engagement is what makes the University really stand out.

TUT was established on 1 January 2004, with the merging of the former Technikon Northern Gauteng, Technikon North-West and Technikon Pretoria. At the time of the merger, the uniquely South African institutional designation of "technikon" was dropped in favour for the internationally accepted "university of technology" designation.
