NOTES

- The performance figures in the tables represent the returns earned on premiums allocated. The returns on premiums actually paid will be lower than this because they take the policy specific charges into account.
- All returns are quoted net of investment fund charges and tax.
- The Smoothed Bonus declaration is made up of a vesting bonus and a claim bonus. The vesting bonus portion of the total bonus cannot be removed on death or maturity of the policy. The claim bonus portion is not guaranteed and could be adjusted should investment conditions dictate.
- The MSCI World Index is the benchmark for the Worldwide Equity portion. The benchmark figures for the Worldwide Bond portion consist of 70% JP Morgan Bond Index and 30% Barclays Capital Global Bond Index.

DISCLAIMER

Old Mutual is a Licensed Financial Services Provider. The information and opinions contained in this guide are made in good faith and are based on sources believed to be reliable, but no representation or warranty, express or implied, is made as to their accuracy, completeness or correctness. The opinions expressed herein are not intended to serve as authoritative investment advice and should not be used in substitution for the exercise of own judgement. The price of shares/units and any income from them may fall as well as rise. When a subscription involves a foreign exchange transaction, it may be subject to the fluctuations of currency values. Exchange rates may also cause the value of underlying overseas investments to go down or up.
