3. The free monthly allocation will consist of 15 voice minutes and 3GB of data per month, allocated for a period of 6 months.

If you are already an Old Mutual Connect subscriber using your existing Sim Card, the first allocation will be made within 48 hours of device purchase. Allocations will not be processed on Saturdays, Sundays, or public holidays and processing times will therefore exceed 48 hours during certain periods.
5. The second to sixth allocation will be made on the 10th day of every month following the first allocation. If the 10th falls on a Saturday, Sunday or public holiday, the allocation will be made the following business day.
6. If the first allocation was made between the first and ninth day of the month, the second allocation will be made in the following month.
7. Each qualifying Subscriber will get a maximum of 6 allocations, for as long as the Device linked SIM card remains active.
8. Each monthly allocation of the Device Purchase offer is valid for a period of thirty (30) consecutive days, commencing on the allocation date, and will expire on the corresponding time of allocation on the 30th day. Any unused balance will be forfeited.
9. The Device Purchase offer allocation will be available until discontinued by Old Mutual in its sole discretion.
10. The allocated voice minutes and data cannot be transferred, cancelled or refunded.
11. Old Mutual reserves the right, in its sole discretion, to amend and/or replace any, or the whole of these Terms and Conditions. Such amendments shall supersede and replace any previous Terms and Conditions and shall be made available on www.oldmutual.co.za or any other media as communicated by Old Mutual.
12. Your continued use of the voice minutes and data allocated in terms of the Device Purchase offer will constitute your agreement to be bound by and comply with these and other applicable Terms and Conditions.
