GETTING READY TO RETIRE?

WHILE IT IS NEVER TOO LATE TO MAKE A DIFFERENCE TO YOUR RETIREMENT PLAN, IT IS ALWAYS BETTER NOT TO LEAVE IT FOR THE LAST MINUTE. HERE, IN GENERAL, ARE YOUR OPTIONS WHEN YOU REACH RETIREMENT AGE:

DEFER YOUR RETIREMENT – if you can afford not to access your retirement fund savings immediately, you may choose to continue growing them until a later stage. The Old Mutual Deferred Retirement option may be right for you if you are planning to retire from your employer soon, but are not ready to buy an annuity with your retirement fund savings. It allows you to keep your retirement fund savings invested and growing in the fund, after you leave your employer.

TRIGGER YOUR RETIREMENT BY:

- **TAKING PART OR ALL OF YOUR RETIREMENT SAVINGS IN CASH** – although the amount you can take in cash depends on whether you belong to a pension or provident fund. Taking any amount in cash will have an impact on your financial stability in retirement.
- **PURCHASING AN ANNUITY (RETIREMENT INCOME)** – it is advisable to use as much of your retirement savings as possible to secure a retirement income. Old Mutual SuperFund Solutions At Retirement offers two annuity options that have been specially selected by the Old Mutual SuperFund Management Board to meet the different needs of members, and to provide support to members when choosing and buying an annuity that will provide them with an income at retirement.

The most suitable option will depend on how much you have saved in your retirement fund and your own circumstances and needs. That is, it is recommended that you get support and guidance if you need it. The Retirement Benefits Counsellor and your professional financial adviser are equipped to take you through the at-retirement guidance process to help you understand, and choose between, these options.

READY TO RETIRE? OLD MUTUAL SUPERFUND SOLUTIONS AT RETIREMENT

If you are ready to use your retirement savings to secure an income in retirement, Old Mutual SuperFund Solutions At Retirement offers you two annuity options to meet the different needs of Old Mutual SuperFund members.

These annuities are supported by a helpful at-retirement guidance process that you can follow with the help of either an Old Mutual SuperFund Retirement Benefits Counsellor or your personal financial adviser.

WHAT IS AN ANNUITY?

An annuity is an insurance policy that provides you with a retirement income and is purchased with your retirement savings.

THE TWO ANNUITY OPTIONS ARE:

OLD MUTUAL FUND SELECT ANNUITY (GUARANTEED LIFE ANNUITY)

This life annuity pays you a guaranteed retirement income for the rest of your life. Depending on various factors, including how well the investment market performs, you may receive a yearly retirement income increase, which will then also be guaranteed for life and will never be taken away. Importantly, the guarantees that are part of Old Mutual Fund Select Annuity mean that you will never stop receiving your retirement income for the rest of your life.

In exchange for this security throughout your retirement, Old Mutual Fund Select Annuity does not offer a lump sum benefit payout to your loved ones when you pass away. You can however cover a second life or choose a minimum retirement income guarantee period (up to 25 years) during which time your beneficiaries will continue to receive a retirement income if you pass away. Once you have selected a second life, you are not permitted to amend the second life irrespective of whether for example you divorce the second life or whether the second life passes away before you. These options will reduce the starting retirement income that you will receive.

OLD MUTUAL MAX INCOME INVESTMENT FUNDED INCOME ANNUITY (LIVING ANNUITY)

This living annuity allows you to invest your retirement savings into one of a set of designated investment portfolios. You also choose what percentage (also called a drawdown rate) of your total invested amount will get paid to you as an retirement income.

Should you pass away before your capital is used up, the remaining amount can be left to your loved ones, form part of your estate, or be used to support a living annuity in the name of your nominated beneficiary.

In exchange for this flexibility, there is no guarantee that this income in retirement will continue for the rest of your life. You therefore need to make good decisions about how much retirement income you want to receive.

A QUICK COMPARISON OF THE TWO ANNUITIES

THE TABLE BELOW PROVIDES A GUIDE TO THE MAIN DIFFERENCES BETWEEN THE OLD MUTUAL FUND SELECT ANNUITY AND THE OLD MUTUAL MAX INCOME INVESTMENT FUNDED INCOME ANNUITY.

 OLD MUTUAL FUND SELECT ANNUITY (GUARANTEED LIFE ANNUITY)	 OLD MUTUAL MAX INCOME INVESTMENT FUNDED INCOME ANNUITY (LIVING ANNUITY)
CAN I SELECT THE INITIAL INCOME AMOUNT I GET?	
<p>No, because your starting retirement income depends on various factors, such as the amount of your retirement savings and your expected mortality. Therefore the Insurer (Old Mutual in this instance) will determine your starting retirement income.</p>	<p>Yes, you select the percentage, currently between 2.5% and 17.5% of your retirement savings, that must be paid to you as a retirement income. To help you with this decision, the Old Mutual SuperFund Management Board will recommend an income rate (also called a drawdown rate*).</p>
CAN I CHOOSE WHERE MY RETIREMENT SAVINGS ARE INVESTED?	
<p>No. Old Mutual selects the investment portfolios which support your annuity, as Old Mutual has taken on the risk of providing you with your retirement income for life and the potential annual increases into the future.</p>	<p>Yes. To help you, the Old Mutual SuperFund Management Board will recommend a default investment portfolio with three other investment portfolio options available.</p>
DO I AUTOMATICALLY RECEIVE A RETIREMENT INCOME INCREASE EVERY YEAR?	
<p>While this is not guaranteed, once an increase is given, it is added to your retirement income and is thereafter also guaranteed for life and cannot be removed.</p>	<p>You can decide. Remember that if the amount you choose as an income (drawdown rate*) is more than the investment growth, you could run out of money.</p>
CAN I CHANGE HOW MUCH RETIREMENT INCOME I WILL GET?	
<p>No. This is calculated when you buy your annuity based on the options you select.</p>	<p>Yes. Once a year, you can adjust how much retirement income you receive as a % of the remaining capital.</p>
AM I PROTECTED AGAINST RUNNING OUT OF MONEY?	
<p>Yes. You receive a guaranteed retirement income for the rest of your life.</p>	<p>No. The money used to pay your retirement income could run out if the retirement income drawn is higher than the growth of the underlying investment.</p>
AM I ABLE TO SWITCH TO ANOTHER ANNUITY?	
<p>No.</p>	<p>Yes. To Old Mutual Fund Select Annuity or any other guaranteed life or living annuity.</p>

*A drawdown rate or income rate is the percentage of the capital amount, invested in the living annuity, that you choose to take as a retirement income in any year.

A QUICK COMPARISON OF THE TWO ANNUITIES

OLD MUTUAL FUND SELECT ANNUITY (GUARANTEED LIFE ANNUITY)

OLD MUTUAL MAX INCOME INVESTMENT FUNDED INCOME ANNUITY (LIVING ANNUITY)

WHAT IS PAYABLE TO MY BENEFICIARIES OR ESTATE WHEN I PASS AWAY?

You may elect that your retirement income be paid for a minimum guarantee period (e.g. 15 years). Should you pass away during this time, your beneficiaries will receive the retirement income for the balance of the period. Should you live longer than the guarantee period, your beneficiaries will not receive a retirement income when you pass away.

You can also provide for a retirement income to be paid to a second life after you pass away. However you may not change the second life once elected, and should such a person predecease you, your own retirement income will not increase.

Any remaining capital will be paid out.

AM I ABLE TO CHOOSE BOTH OF THE ANNUITIES?

Yes. Depending on your needs and the amount of your retirement fund savings, a combination of the two could suit you best, or you can speak to your personal financial adviser about other options available to you.
