

WHAT SHOULD I DO IF I AM UNHAPPY WITH THE DECISION ON MY CLAIM

Old Mutual Group Assurance Products is a provider of group risk benefits to employees. We are committed to ensuring that we can assist our insured employees and their families through difficult periods of death or illness.

We are proud of our track record of paying claims – each year we pay billions of rands in claims. To this end, our claims process is managed by a specialised team who are dedicated to processing, managing and paying your claims in a quick and hassle free manner.

If we find that a claim is not valid, we will make every effort to contact you or your employer to discuss and explain our decision before we decline the claim.

Old Mutual is willing to discuss and review the outcome of your claim should you be unhappy with our decision. This process is summarised below.
